SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Regional EOC	Coastal Regional EOC	Southern Regional EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated March 2, 2020, at 0700 hours in support of the California Department of Public Health Medical Health Coordination Center (CDPH MHCC). Cal OES will continue to provide resource coordination to the COVID-19 event, as well as situation status reporting, and advance planning across multiple areas.

Situation Overview

- Worldometers COVID-19 Live Updates - March 6, 2020 at 1500 hours : 101,926 (+3,849) confirmed cases in 97 (+8) countries
 - 21,350 (+3,703) confirmed cases outside of China
- 3,466 (+110) deaths
 - 424 (+81) deaths outside of China

Number of Cases	Source
31 (+9)	Travel Related
4 (+1)	Person to Person Spread (healthcare worker)
15 (+6)	Person to Person Spread (other close contact)
10 (+1)	Community Acquired
4 (+2)	Under Investigation
64 (+19)	Total
24	Repatriation
88 (+19)	Total (CA + Repatriation)

California Persons Under Investigation (PUIs) Tested (as of MHCC report on March 6, 2020)

Positive	Negative	Pending
88 (+19)	303 (+57)	303 (+87)

SITUATION SUMMARY

Coronavirus Disease 2019 (COVID-19) (Continued)

Confirmed United States COVID-19 Cases - per Centers for Disease Control and Prevention (CDC) As of 0900 on March 6, 2020:

Number of Cases	Source
36 (+6)	Travel Related
18 (-2)	Person to Person Spread
110 (+61)	Under Investigation
164 (+65)	Total Confirmed Cases
11 (+1)	Total Deaths

- Data include both confirmed and presumptive positive cases of COVID-19 reported to CDC or tested at CDC since January 21, 2020, with the exception of testing results for persons repatriated to the United States from Wuhan, China and Japan. State and local public health departments are now testing and publicly reporting their cases. In the event of a discrepancy between CDC cases and cases reported by state and local public health officials, data reported by states should be considered the most up to date.
- As of March 5, 2020, 1,583 patients had been tested at CDC. This does not include testing being done at state and local public health laboratories, which began this week.

COVID-19: Cases among Persons Repatriated to the United States = 49 Total

	Wuhan, China	Diamond Princess Cruise Ship
Positive	3	46

- Cases have laboratory confirmation and may or may not have been symptomatic.
- CDC's updates will now be regularly posted at noon Mondays through Fridays. Numbers close out at 4 p.m. the day before reporting.

- Please see the attached California Department of Public Health (CDPH)/Cal OES Joint Situation Report for additional details.

SITUATION SUMMARY

Emergency Management Assistance Compact (EMAC), Puerto Rico Earthquake

On 01/07/20 at 0324 hours, a M6.4 earthquake occurred approximately 8.4 miles west-southwest of Ponce, Puerto Rico at a depth of 6 miles. The State Of California currently has a total of 6 personnel deployed from multiple agencies to Puerto Rico to assist with response and recovery efforts.

Deployments:

- 5 Cal OES personnel
- 1 California Highway Patrol (CHP) individual

Cal OES INLAND REGION

- See COVID-19 slides.

Cal OES COASTAL REGION

- See COVID-19 slides.

Cal OES SOUTHERN REGION

2020 Hepatitis A Outbreak, San Bernardino County

On 02/14/20 at 1545 hours, the CSWC received notification from the California Department of Public Health (CDPH) Emergency Preparedness Office (EPO) Duty Officer about a Hepatitis A (HEP-A) outbreak in San Bernardino County. Per the local health jurisdiction, as of 02/25/20, there are 46 Hepatitis A Virus (HAV) confirmed cases and 4 suspected cases, compared to just 3 HAV cases reported in all of 2018.

- Incident Date/Time: 02/13/20 at 1300 hours.
- Incident Type: Disease Outbreak
- Current Operational Area Medical & Health System Condition: Yellow – Under Control / No Assistance Needed
- Current priorities include monitoring the outbreak, conducting enhanced surveillance, providing epidemiological support to the outbreak response, increased promotion of health education activities amongst stakeholders serving at-risk populations, facilitating vaccination of at-risk populations, and promoting better sanitation in target zip codes.
- Communicable Disease Section (CDS), Environmental Health Services (EHS), and Laboratory (Lab) have been briefed on the situation.
- CDS, EHS and Lab are ready to activate to distribute HAV vaccines and provide education (pending status update from the planning team).
- San Bernardino County Department of Public Health (DPH), EHS, CDS, and Department of Behavioral Health (DBH) will continue to monitor the HAV outbreak until further notice.
- DPH/EHS/CDS/DBH are actively working to distribute educational material on HAV and sanitation practices to high-risk populations.

Activations

San Bernardino County Public Health Services DOC is activated at Level 3 (lowest)

- A Shift: 0800 – 1700 hours, Monday – Friday
- B Shift: Duty Officer status

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Light to moderate mountain snow possible above 4500 feet this weekend. Heaviest amounts expected today from late morning through early evening.
- Cold front moves through today then a chance of showers tonight into Sunday. Bulk of precipitation expected today, and in the northern and eastern foothills and mountains.
- The foothills of the Sierra may see heavy rain Tuesday.
 - Current burn scar area of concern. Others may be added as the event gets closer and confidence increases: Ferguson

SOUTHERN CALIFORNIA

- Moderate to heavy rain Monday to Wednesday with strong winds gusts from 25-45 mph are possible with this storm.
- Widespread rain with a chance of thunderstorms on Tuesday across southern CA with the heaviest rain of the week during this time period primarily across the coastal counties from San Luis Obispo County to San Diego County, and also western San Bernardino and Riverside Counties.
- Areas of flooding, rock slides, mudslides and debris flows on recent burn scars will be possible over the southern portions of the state.
- Current burn scar areas of concern. Others may be added as the event gets closer and confidence increases: Holy, Cranston, Getty, Saddle Ridge, Cave and Woolsey

WEATHER KEY POINTS

03/07/20 - 03/13/20

Saturday-Sunday

- A weather system may bring breezy conditions, rain and snow to the northern and central portions of the state through Sunday
- Minor travel impacts over the mountains of central and northern CA due to snow
- Gusty winds in the mountains and the east side of the Sierra will also cause travel impacts through Saturday

Monday

- Continued light snow over the Sierra with minor travel impacts
- Rain starts to move into southern CA late Monday night with no significant impacts

Tuesday

- Widespread rain with a chance of thunderstorms across southern CA with the heaviest rain of the week during this time period primarily across the coastal counties from San Luis Obispo County to San Diego County, and also western San Bernardino and Riverside Counties. The foothills of the Sierra may also see heavy rain.
- Areas of flooding, rock slides, mudslides and debris flows on recent burn scars will be possible over the southern portions of the state
- Current burn scar areas of concern. Others may be added as the event gets closer and confidence increases
 - Holy, Cranston, Ferguson, Getty, Saddle Ridge, Cave and Woolsey
- Snow over the southern Sierra will impact travel
- With the snow level being high during the brunt of precipitation in far southern CA, any significant snowfall would be limited to locations above around 8,000 ft in the San Bernardino and Riverside County mountains with minor impacts.

Wednesday

- Continued rain and mountain snow across the southern half of the state with only minor impacts. No significant debris flows expected during this period.

Thursday and Friday

- Mostly dry across the state expect for far southern CA with no significant impacts

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2020-LAW-9554, 03/06/20 at 2045 hours:** Riverside County Sheriff's Office contacted the Law Duty Officer and requested San Diego County Sheriff's Office Search and Rescue (SAR) and Sierra Madre SAR Unit to assist with a search for a missing hiker, 51 years old, white male, blonde hair, 6'01", 180 lbs. Unknown color shirt and baseball hat, blue jeans and red back pack in the Idyllwild area. The requested SAR teams above were already in the area for a training and accepted the mission. China Lake Mountain Rescue (Kern County) also assisting. **MISSION ONGOING.**

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
